Dear ,

Thank you for using the Drone/UAS Information Platform System.

## Unmanned Aircraft Remote Pilot Certificate are about to expire.

If you wish to renew your Unmanned Aircraft Remote Pilot Certificate, you will need to take a renewal training course and prepare documents (medical criteria certificate, driver's license, etc.) to prove that you meet the required medical criteria, and then apply for renewal.

Please see below for information on how to renew.

Please note that you cannot apply for renewal after the renewal deadline.

Please note that a new application for a skill certificate is required after the renewal deadline has passed.

If you do not know how to contact us, please contact us from the 'Frequently Asked Questions' below.

Unmanned Aircraft Remote Pilot Certificate Number
